A Pleasant Commodie of Faire Em

A Pleasant Commodie of Faire Em, the Miller's Daughter of Manchester, with the Love of William the Conquerour

Total running time: 01:34:45

Was *Faire Em* written by Shakespeare? Almost certainly not, but 1) it was found in a volume labeled Shakespeare in the library of Charles II, and 2) C. F. Tucker Brooke included it in his 1818 *Shakespeare Apocrypha* as one of 14 plays that have been attributed to Shakespeare. At any rate, *Faire Em* is a decent comedy with William the Conqueror in disguise, and the titular character not what she appears to be either.
