The Guide for the Perplexed, Volume 2

Written by Moses ben Maimon (משה ברבי מימון הספרדי)

Translated by Michael Friedländer

In the Guide of the Perplexed Maimonides (Moses ben Maimon) achieved an original and highly influential synthesis of religious and secular learning, drawing on Rabbinical teachings, the Aristotelian and neo-Platonic doctrines then current in the Islamic world, as well as his own scriptural exegeses and philosophical arguments. According to Encyclopaedia Judaica, "almost every philosophic work for the remainder of the Middle Ages cited, commented on, or criticized Maimonides' views." - Summary by Kazbek

Read by LibriVox volunteers. Total running time: 8:47:26
