History of Egypt, Chaldea, Syria, Babylonia, and Assyria, v.4

History Of Egypt, Chaldea, Syria, Babylonia, and Assyria, Vol. 4

by Gaston Maspero (1846 - 1916); Translated by M. L. McClure
(1857 - 1918)

History Of Egypt, Chaldæa, Syria, Babylonia, and Assyria is the masterwork of one of the fathers of modern egyptology. This work, in twelve volumes, was translated from the French original, "Histoire ancienne des peuples de l'Orient classique" and published in 1903-1904. Maspero was a largely self-taught master of hieroglyphic translation. In November 1880, he was placed at the head of a French archeological mission, which developed later into the Institut Français d'Archéologie Orientale. Maspero then succeeded Mariette as director-general of excavations and of the antiquities of Egypt.

In the fourth volume of this work, Maspero covers the first Chaldaean Empire, the Hyksos in Egypt, Syria at the beginning of Egyptian conquest, and the 18th Theban dynasty. - Summary by Wikipedia
