Cut on outer black lines, fold along center line and tuck into front of Jewel Case

## In the Wake of the Buccaneers

Alpheus Hyatt Verrill (1871 - 1954)

Ah, the Buccaneers... "We hear much of the bold, wild ways of these adventurers; Perchance it is the fact that we all appreciate bravery—, and no greater gamblers ever lived than the buccaneers. They staked their lives at every turn, they gambled with death, and the greater the odds the more readily did they throw themselves into the game. And it was this gambling spirit, this recklessness that enabled them to defy the world of their day." (From the Introduction)

The author recounts his own adventure sailing from port to port among the islands of the West Indies and along the Spanish Main, describing present (ca. 1923) conditions and reliving its dark and bloody history in the Golden Age of Piracy. An interesting take on a familiar subject, this book is well written and highly entertaining, but not a book for the soft-stomached. But then, what's a pirate yarn without a few good massacres, plundering, and burnings? Yo-ho! (Summary by Steven Seitel)

**Genre(s):** History, Travel & Geography
