The Rehearsal by George Villiers, 2nd Duke of Buckingham

Total running time: 02:00:09

The Rehearsal, first staged in 1671, is a satirical play poking fun at the overblown tragedies produced in the time of the Restoration. This play uses the device of having three men working to develop a new play and having the actors trying out various scenes. The play itself is made up almost entirely of excerpts of existing dramatic works, many by John Dryden.
