## *The Trevor Case*

[Natalie Sumner Lincoln](#) (1881 - 1935)

The nation's capital was astir at the untimely and curious death of the young wife of the Attorney General, Edmund Trevor. She had obviously been murdered, and as a matter of importance, it didn't take long for prosecutors to locate, indict, and convict a suspect who had the means, the motive, and the opportunity. The evidence may have been largely circumstantial, but the court of public opinion appeared to be content and willing to close the matter. But not everyone was satisfied with the outcome. There were pieces that didn't add up. The course of the ensuing investigation would lead in many directions, possibly implicating some powerful Washingtonians, requiring detectives and investigative reporters to tread very cautiously. Will they be able to solve the Trevor case? (Summary by Roger Melin)
